Subject PERSON OF INTEREST / Filming in Harrison, NY

Ms. Tamucci,

I hope this email finds you well. Just wanted to drop a line to say how it was an absolute pleasure filming in Harrison. Top to bottom people couldn't have been more friendly and helpful throughout the whole process, especially Lieutenant Olsey of the Harrison PD and Cheif Delsignore of the Fire Department. Filming there went very well and incredibly smooth and I will be happy to recommend filming in Harrison to anyone who asks.

The episode featuring 450 Mamaroneck Avenue will air at 9pm on CBS Thursday, April 26th, so I hope you, your staff and family will watch!

I look forward the opportunity to work together again in the future and thank you once again.

All the Best,

--
