Hi Ron,

I hope all is well w/you and your family.

I've been out of work for several months and I did what most people did (network, sending out resumes, phone calls, etc). Someone suggested I contact Nina Marraccini which I did. From the outset she was incredibly caring and helpful. She sent me job postings and to make a long story short, I was able to secure a position this week w/one of the listings Nina sent.

The town is very lucky to have such a dedicated employee like Nina. Not only is she very talented in her job, she also cares about the people in this community.

I would also like to thank you for the job you're doing. Keep up the good work.

Sincerely,

John [redacted] Doe
