Village/Town of Harrison
1 Heineman Place
Harrison, NY 10528

Dear Council Members,

I'm writing to request formal permission for use of the roadways through the Village/Town of Harrison. Police officers are required at 25 posts during the bike portion of the triathlon taking place on Sunday September 23, 2012. I am the new race director for the Westchester Triathlon this year and I apologize for the delay in sending this request. My records indicate the intersections for police posts are as follows:

I have reviewed the course, police posts, and driven the course with Lt. DiBuono and he was kind to bring me up to speed on all the nuances of Harrison and the roads effected by the race.

I would be honored if you would grant us permission to use the roads for the race on Sunday Sept. 23, 2012. I look forward to working with Lt. DiBuono and the traffic staff. Insurance certificates, Workers Compensation, and NYS Disability forms will follow within the next week. The race is sold out once again and we are expecting over 1200 athletes on that Sunday.

Sincerely,

Eric Opdyke
